

# scorrevole a libro con struttura perimetrale

sliding folding systems with frame structure

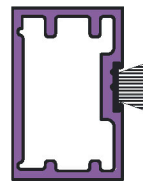

Glas falt Schiebewände mit Rahmenstruktur

L-2000

## L-200

Binario superiore di scorrimento in alluminio anodizzato con spazzola  
Anodised aluminium top track profile with brush seal  
Eloxiertem Aluminium  
Laufschienenprofil mit Bürstenprofil

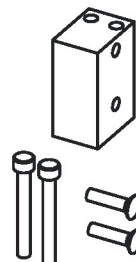

## L-211

Profilo montante in alluminio anodizzato  
Side profile in anodised aluminium  
Seitliches Profil aus eloxiertem Aluminium

## L-210

Guida inferiore in alluminio anodizzato  
Bottom guide channel in anodised aluminium  
Bodenführung aus eloxiertem Aluminium

## L-212

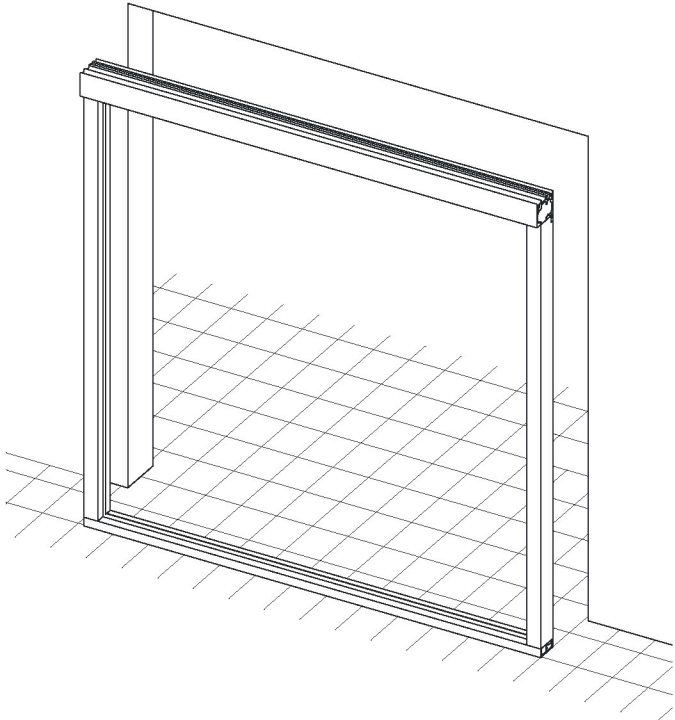

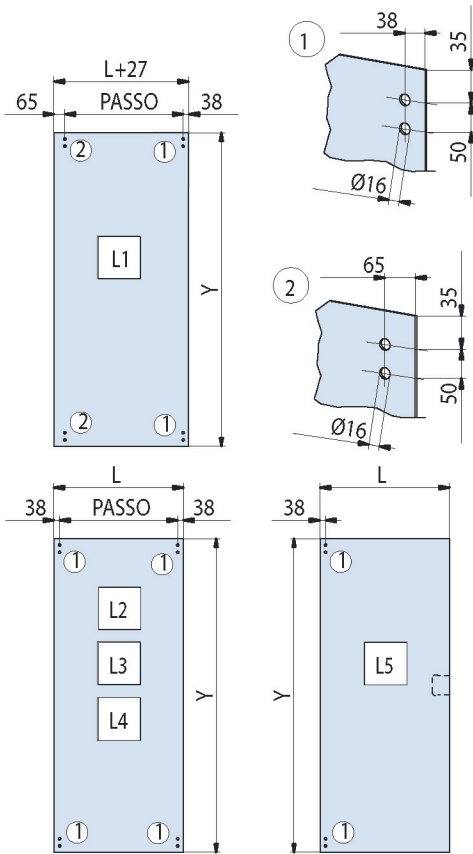

Blocco fissaggio angoli struttura  
Fixing corner set  
Eckbefestigung Set
